

Constitution (by law)

We are proud to announce that after only two months from the last general meeting held in New Delhi, the “constitution” is now ready!

We want to thank a lot the President, ms Nancy Kalaitzi as well as all our executive officers who have been working hard on this issue and a special thank is given to the lawyer, mr Massimiliano Lieto, who has accepted to register the association at his office’s address.

Finally we are a real association, with clear rules and understanding, enabling us to look at the future in a more positive way.

It took four years, from the first meeting in Shanghai (it was the winter of the year 2002!) and four general meetings (two in Shanghai, one in Bangkok and one in New

Delhi) to reach a so important result, but finally we are there!

This must be the first step to develop more and more the cooperation among all of us and attract new members to join.

The structure is now as follows:

JGC LINE (association) registered in Milan, Italy - web address: www.jgcline.com

President: ms Nancy Kalaitzi

Vice President: Paolo Federici

Executive officers: Gurpreet Chawla, Omar Esper, John Keyzer, Adil Turk

Treasurer: ms Doris Ruedi
